

LETTER OF RECOMMENDATION

To Whom It May Concern,

I am pleased to recommend **Soham Ganguly**, who successfully completed their internship at KodRish Innovation & Solution LLP. Their exceptional skills in **EDA, data Cleaning, Modal Training & proactive problem-solving** made them a valuable asset to our team. Their contributions to **Iris Flower Classification & House Price Prediction** showcased their technical expertise, teamwork, and dedication to delivering quality work.

Throughout their internship, **Soham Ganguly** demonstrated a keen ability to adapt to new challenges and quickly grasp complex concepts. Their enthusiasm for learning and their commitment to excellence were evident in every task they undertook, making a lasting impact on our organization.

I am confident that **Soham Ganguly** will excel in any professional endeavor. Please feel free to contact me at kodrishsolutions@gmail.com for further information.

Best Regards,
